25X1

1. it appeared that an untrained ethnic German, who belonged to the 1928 class, was inducted and assigned to a unit stationed in Bilina (N 51/F 23) together with numerous other Sudeten Germans on 27 October 1954. On 29 November 1954, it appeared that this soldier was employed at beet-root harvesting in Teplice Lazne (N 51/F 34). On 6 December 1954, he did construction work in Kostany (N 51/F 24) together with the other inductees from his home town. The men were accommodated in a low building in Kostany. The unit to which they belonged was commanded by a major. 25X1

2. The men assigned to the unit in Bilina were scheduled to serve two years. The inductees were scheduled to take the oath on 12 December 1954. The soldier inducted received a payment of 84.— Kcs a month. For November, the amount of 208.— Kcs was paid to him. 25X1

 Comment. In March 1951, a component unit of the 32d Technical Emergency Battalion in Litvinov was stationed at Bilina. 25X1
